DESCRIPTION

The Majesty 145 is a 44-metre yacht set to be launched in spring 2026. This was announced by Majesty Yachts, part of Gulf Craft, at the Dubai International Boat Show 2025.

The yacht's interior has been designed by Italian studio Cristiano Gatto Design and features a neutral colour palette with warm accents and marine hues.

The Majesty 145 will be equipped with two swimming pools—one on the aft of the main deck and one on the sundeck—as well as a relaxation area at the bow and a spacious outdoor dining space.

One of the yacht's most innovative features is the customisation option. Several configurations are available, including two aft section variants (open and enclosed), two flybridge versions and two bow layouts, which perfectly aligns with the shipyard's philosophy.
