FUEL CAPACITY 920 l	WATER CAPACITY 700 l
LENGTH OVERALL 15.40 m	ENGINE HOURS 700 h

DESCRIPTION

The Leopard 50 is a catamaran from Leopard Catamarans, built in 2020, in excellent technical condition and ready for use. She offers a well-considered four-cabin layout. Comfort on board is provided by air conditioning in the saloon and all cabins, a fully automatic watermaker and a 9 kW generator, with six solar panels adding energy independence. Technical highlights include digital radar, AIS, twin YANMAR 80 hp engines and blue underwater lights. Additional equipment includes a 3.2 m tender with a Honda 6 hp outboard, cockpit and helm awnings, extra saloon blinds on the cockpit side and a retractable boarding ladder. A full pre-sale preparation has been carried out, including complete servicing and a full hull polish with a special water-repellent coating. The catamaran has seen very little use — just 700 engine hours and 150 generator hours.

EQUIPMENT

- Retractable platform
- Air conditioning in the salon and all cabins
- 6 solar panels
- Digital radar
- Optional YANMAR engines with 80 HP
- Generator 9 kW
- Desalinator (fully automated)
- Additional cabin in the forepeak of the left float (shower, toilet, holding tank, bed)
- AIS (transceiver)
- Underwater blue lights
