DESCRIPTION

The C48 Deck Saloon model is designed for those who value the combination of luxury and practicality in any setting. A fully enclosed deck with panoramic windows, sliding doors and an optional sliding roof allows you to enjoy the sea in any weather—from scorching days to cool evenings. The interior is executed in the finest Princess traditions: elegant lines, soft tones, natural materials and attention to every detail.

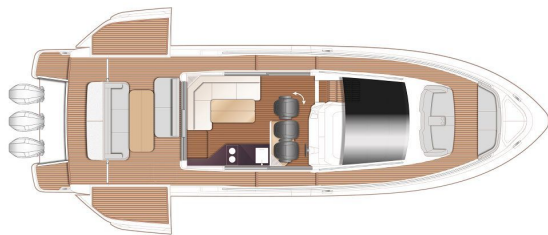

The main deck unites a cosy saloon with a dining area and a fully equipped galley, creating a single open space with the cockpit. Here you can comfortably dine, relax or spend time with guests, while feeling lightness and spaciousness.

The lower deck features two comfortable cabins, a spacious head and a lobby with storage space—everything is thought through for short or extended voyages.

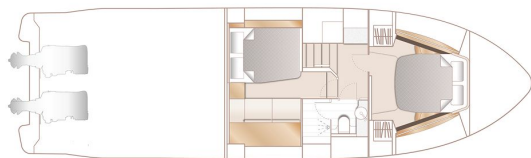

The Michael Peters SVVT hull provides stability, smooth running and efficiency, making the C48 Deck Saloon dynamic, confident and reliable underway.
