DESCRIPTION

An exclusive Princess S78, built in 2021, offered in near-new condition and carefully maintained throughout. This sportfly model harmoniously combines space, premium comfort and expressive modern design, uniting the advantages of a flybridge yacht with the dynamics and open architecture of the sport range. The main deck is thoughtfully organised: a spacious cockpit — one of the largest in its class — is ideal for relaxing, entertaining and al-fresco dining, and sliding glass doors merge the saloon with the exterior. Panoramic glazing fills the interior with natural light. Below deck are four elegantly finished cabins with individual bathrooms for up to eight guests, including a full-beam master, a forward VIP and two twin guest cabins. Separate, fully equipped crew quarters for two ensure a high level of service and privacy. Lying in Antibes, France.

EQUIPMENT

- Air conditioning/heating system with reverse cycle (186,000 BTU)
- European standard electrical sockets 220V/240V
- Raymarine Ray 90 VHF radio with two control stations (international standard)
- Gyrostabilization (Seakeeper 16)
