DESCRIPTION

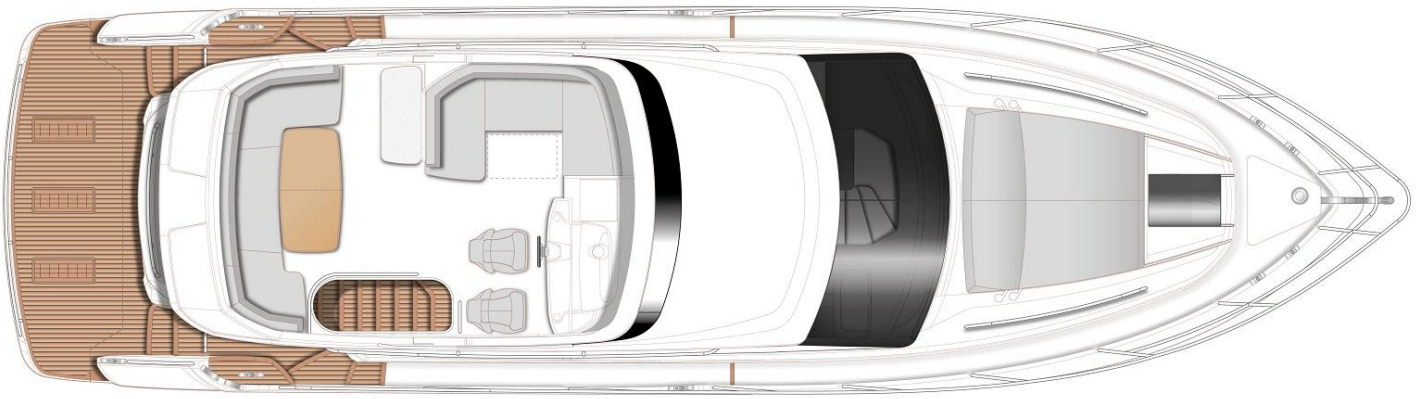

The F50, a 2022 newcomer, demonstrates Princess Yachts' ability to work with the most sought-after yacht size – 50 feet (15.65 m). The main deck is laid out as functionally as the Princess F55. The open galley adjoins the saloon-dining area and helm station, while the cockpit offers a spacious alfresco dining zone. The flybridge remains the perfect place to keep the helmsman company on a fine day and even cap off a day on the water with a party: it features a second helm station, a folding table and two comfortable sofas. The lower deck accommodates three spacious cabins and two bathrooms, though there is no separate captain's cabin. Handling such a yacht will be a pleasure even for a beginner: the Princess F50 is equipped with stabilizers and the Volvo Penta Easy Boating system, which significantly simplifies docking.
