DESCRIPTION

The Riva Cento is one of the rarest modern models from the legendary Italian yard. Built in 2025 in Sarnico, she belongs to an exclusive series limited to just 12 hulls, created to celebrate the 100th hull of the iconic Rivamare. Her design blends the timeless aesthetic of the Aquarama with modern technology, setting a new standard for luxury day cruisers. The interior follows the finest Riva tradition: gloss mahogany, fine leather and flawless finish. A spacious cockpit with a convertible seating area flows into an aft sun pad, while a cosy cabin and heads below deck allow a full weekend on board. Twin Volvo Penta D6 engines deliver impressive performance with Riva's signature smooth ride, reaching up to 40 knots. Equipped with a Seakeeper gyro stabiliser, bow thruster, joystick autopilot, automatic trim, underwater lights, a Seabob locker and a full navigation and multimedia package. Lying in Turkey and ready for delivery.
