DESCRIPTION

The Sunseeker Manhattan 68 is one of the British yard's most successful flybridge models, combining the brand's sporting dynamics with the comfort of a full family yacht. The interior is in signature Sunseeker style, with large panoramic windows, premium natural-wood finishes and an ergonomic open-plan main deck that brings together the dining area, lounge and galley. The layout provides four full cabins, including a full-beam master with en-suite, a spacious VIP and two guest cabins, comfortably accommodating up to eight guests. The generous flybridge features a full dining group, a wet bar and a large relaxation area. The yacht is lying in Turkey and ready for delivery to a new owner.
