## DESCRIPTION

The Princess X90 is the latest yacht from the renowned British shipyard, setting new standards in the world of luxury motor yachts with its innovative design, high-quality materials and advanced technology.

With elegant and contemporary lines, large tinted windows, flooded with natural light, the Princess X90 creates a welcoming atmosphere both inside and out. She offers 3 double cabins with en-suite bathrooms and numerous customization options, including the possibility of creating additional cabins at the owner's request.
Equipped with modern navigation systems and powerful engines, the yacht combines impressive speed and stability on the water, making her an outstanding choice for yachting enthusiasts versed in luxury and refinement.

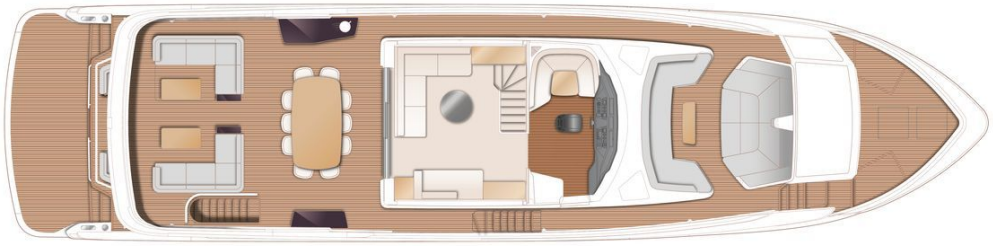

The first Princess X90 will appear in 2026, but already promises to become a popular addition to the Princess X Class series.
